## OBJECTIVE

Motivated and passionate Frontend Developer with hands-on experience in HTML, CSS, JavaScript, React JS, Git, and GitHub. Looking to join a creative team where I can use my skills to build clean, responsive, and user-friendly websites. I aim to grow as a developer while contributing to real-world projects and delivering high-quality web experiences.

## EXPERIENCE

### Frontend Developer — Personal Project

2025 - Continue

FurniStyle - Furniture Website

Designed and developed a fully responsive furniture website showcasing various furniture products and categories. The site features interactive UI components, clean layout, and user-friendly navigation. Implemented dynamic elements using React JS and maintained version control through Git and GitHub. Focused on performance, cross-browser compatibility, and mobile responsiveness to enhance user experience.
